THE MOWER WITH MORE MUSCLE FOR YOUR MONEY.

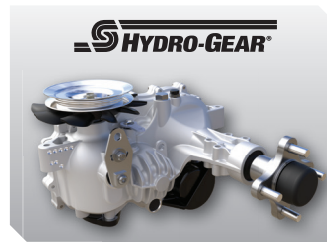

- **High Horsepower** - A 23 horsepower engine from Kawasaki* to power through thick grass up to 3.1 acres per hour.
- **Elite Cutting System** - Offered in three cutting widths (42", 48", and 54"), the Elite Deck easily cuts large volumes of grass and provides an attractive after-cut appearance.
- **7-Stage Deck Height** - Allows you to quickly and easily adjust mowing height for different applications.
- **Hydro-Gear® ZT-2800 Transaxles** - Proven and reliable transmissions with an external oil filter for easier maintenance and extended system life.
- **Quick-Lift Lock** - Allows you to quickly raise the deck to avoid objects and locks the deck in travel height for transporting or storing.
- **Steel Fenders** - Built with 14-gauge steel, the fenders protect the body and fuel tank from damage.
- **Industry Leading Warranty** - Backed with a three year warranty with unlimited hours of residential use and industry leading lifetime warranties.

Steel Fenders - Protects fuel tank from sun and impact damage

Commercial Forks - Greaseable and lifetime warranty against breakage

Hydro-Gear® ZT-2800 - Smooth operation and fully serviceable

Comfort Ride - Plush cushioned seat with armrests for extra comfort

42", 48", & 54" Elite Cutting System - Formed and welded 10-ga deck shell

- **Robust Deck** - Offered in two cutting widths (60" and 72"), the Eagle HP deck features a deep 7 gauge shell and **abrasion resistance baffles** to outlast the competition in extreme conditions.
- **Wide Stance** - Extra-wide frame offers enhanced operator comfort and improved stability when mowing hillsides.
- **Run-Flat Tires** - Flat tires are a problem of the past with run-flat tires standard on the Eagle HP.

Hydro-Gear ZT-5400 - Speeds up to 14mph for increased productivity

More Muscle - Engines up to 40hp and Turbinator® Pre-Cleaner

Suspension Seat - High back, padded armrests, and isolated platform

Springer Forks - Absorb bumps to provide smoother ride for operator

60" and 72" Decks - Deep 7 gauge shell to tackle deep grass with ease

A TRUE CLASSIC AMERICAN WORKHORSE.

The **Classic** is the perfect definition of a workhorse mower with the combination of commercial quality and industrial features.

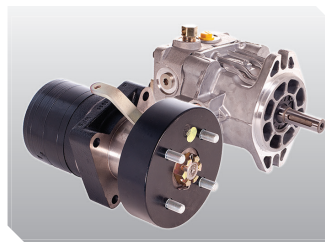

- **Power and More Power** – Powered by Kawasaki® FX or Vanguard® Big Block EFI engines up to 40 horsepower to power through tough jobs.
- **Lifetime Warranty Frame** – The strongest frame in the industry with a 1" x 2" steel-tube chassis guaranteed not to break.
- **T-Gear Box** – Eliminates side-load on pumps and backed with a 5-year or 3,000 hour warranty.
- **Complete Discharge Control** – An operator controlled discharge chute (OCDC) allows you to switch from normal discharge to closing the chute on the fly, saving you time on clean-up.
- **Tried and True Decks** – Offered in two productive deck widths (60" and 72") the Elite X Deck has been the staple piece to Dixie Chopper's reputation of cleanly cutting all types of grass.
- **Comfort Ride** – Our suspension seat comes standard on every Classic model to provide a smooth ride in the roughest terrain.

Suspension Seat – Full suspension for ultimate comfort all day long

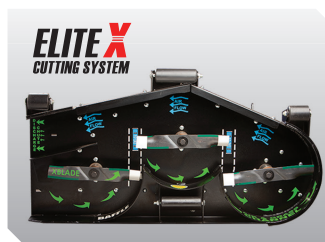

More Muscle – Engines up to 40hp and Turbinator® Pre-Cleaner

Pumps & Wheel Motors – Stronger transmissions for extended system life

Spindle Package – Maintenance-free spindles and cooling fans come standard

60" and 72" Elite X Deck – Gives a quality cut in all types of grass

THE TOUGHEST MOWER IN THE ZERO-TURN INDUSTRY.

Professional commercial contractors and large property home owners have come to depend on the **XCaliber** for its legendary performance. Our flagship mower features:

- **Pure Power** - Models powered with Kawasaki® FX or Vanguard® Big Block EFI engines up to 40 horsepower.
- **X2 Wind Tunnel Deck** - The industry's best cutting deck available in 66" and 74" cutting widths for maximum productivity, "Wind Tunnel" front edge for increased discharge performance, and industry leading 2-inch blade overlap for precision cutting.
- **Ultimate Comfort** - Springer Forks come standard along with a high-back seat with padded armrests, recline, and lumbar.
- **Productivity** - Our heavy-duty pump and wheel motor drivetrain increases ground speed up to 13 mph to mow over 7 acres per hour.
- **Wide Wheelbase** - An extra wide wheelbase assists in hillside performance and overall ride quality.
- **Most Lifetime Warranties** - Worry-free lifetime warranties on the frame, front forks, steering levers, and front caster bearings.

Total Comfort - Suspension seat with recline, lumbar, and padded armrests

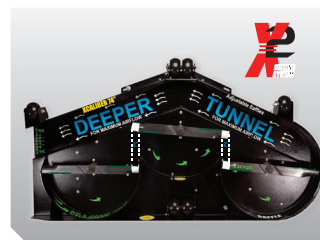

Pumps & Wheel Motors - Stronger transmissions for extended system life

Spindle Package - Maintenance-free spindles and cooling fans come standard

Springer Forks - Absorb bumps to provide smoother ride for operator

Wind Tunnel Deck - Increases airflow and reduces build-up under deck

TALON M/S

MINI SKID STEER

MODELS:
700HPX

Talon M/S 700HPX shown

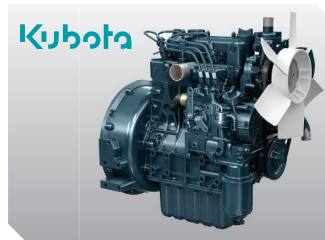

MEET THE HARDEST WORKER ON THE JOB SITE.

Dixie Chopper is now known for more than mowers. Meet the Talon M/S, a heavy-duty mini skid steer built for commercial contractors who do more than mowing. This new model is loaded with features, including:

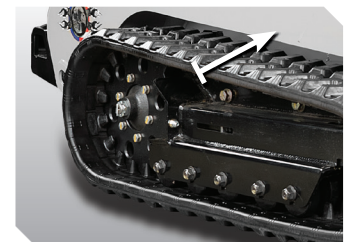

- **Diesel Power** - Reliability and efficient power comes standard with the 24.8 horsepower Kubota engine.
- **Gate Friendly** - The 700HPX offers a hydraulically expandable undercarriage to retract the unit width less than 36" to fit in tight spaces.
- **Hydraulic Flow** - Delivering up to 11.3 gpm to the auxiliary hydraulic flow, the Talon M/S attachments make easy work of tough jobs.
- **All-Day Comfort** - The spring assisted stand-on platform design with generous hip padding provide operator comfort from start to finish.
- **Productivity** - With the expandable undercarriage and speeds up to 4.5 mph, operators can safely and quickly get work done in record time.
- **Compatibility** - Universal compact utility loader mounting plate and quick-attach system to easily switch between most standard attachments.

AVAILABLE ACCESSORIES

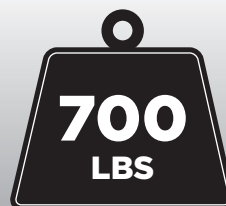

- Pallet Forks
- Bucket
- Snow Blade
- Dozer Blade
- Auger
- Trencher
- Broom
- Grapple

Kubota Diesel - Quiet, powerful, and reliable diesel engine

Expandable Tracks - Narrow for tight spaces or wider for better stability

Heavy Loads - Get more work done with 700+ pounds of operating capacity

TALON R/C

REMOTE CONTROL

MODELS:
2844VGE 28hp, 44" Deck

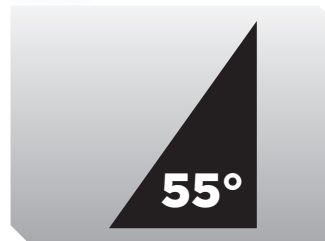

Talon R/C 2844VGE shown

MOW WHERE NO MOWER HAS MOWED BEFORE.

The **Talon R/C** is the safest and most productive solution for commercial and municipal operators who need to maintain steep hills, ditches, wet terrains, and areas zero-turn mowers struggle to perform.

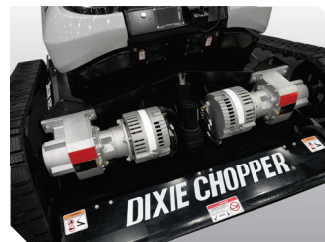

- **Remote Control** - Keep operators safe in areas needing maintained with remote control technology with nearly 500 feet of range.
- **American Muscle** - Powered by a 28 horsepower Vanguard® EFI engine, the Talon R/C has plenty of power to cut, climb, and maneuver any terrain.
- **Hillside Ready** - Mow slopes up to 55 degrees in areas where operators should never be on the equipment.
- **Hybrid Technology** - Electric drive system for advanced operator controls and variable speed.
- **Low Ground Pressure** - Maximize your efficiency while minimizing your footprint.
- **Variable Cutting Height** - Choose your cutting height on the remote from just one 1" all the way to 6" to get the perfect cut at every job.

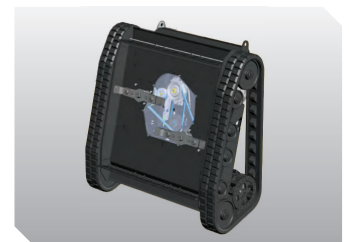

Safe for Slopes - Safely mow slopes up to 55 degrees with ease

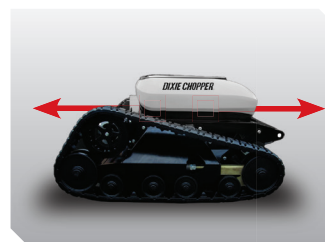

EFI Engine - Improved fuel economy and easier cold starts

Hybrid Power - Electric drive system for smooth control

Mulching Deck - Twin spindle design for attractive finish in all grass types.

Bi-Directional Cutting - Improves efficiency by reducing turning

*1 year or 1,500 hour limited warranty, see dealer for complete details
